

# Are You a Candidate for Cosmetic Dentistry?

If you have been thinking about improving your smile, take a few moments and ask yourself the following questions to see if cosmetic dentistry is right for you.

YES NO

1. Are you embarrassed about smiling in front of people?

2. Do you ever put your hand up to cover your smile?

3. Do you dislike your smile in photographs?

4. When you look through magazines, do you envy the models' smiles?

5. Do you wish your teeth were whiter?

6. Do you think you show too much or too little of your teeth when you smile?

7. Would you like to change the way your teeth or gums are shaped?

8. Do you have gaps or spaces between your teeth?

9. Are you considering braces for that perfect smile?

10. Do you have crooked or misaligned teeth?

If your answer is YES to any of these questions, you may be a good candidate for cosmetic dentistry. Please let Dr. Dickson or any of his staff members know what your concerns are and how we can assist you in achieving the smile you have always wanted.
